

Cougar Ridge

BERM TREE & SHRUB PLANTING 2017

**JOIN US FOR
PLANTING
AND BBQ
FUN!**

Saturday, May 27

9 am - 5 pm

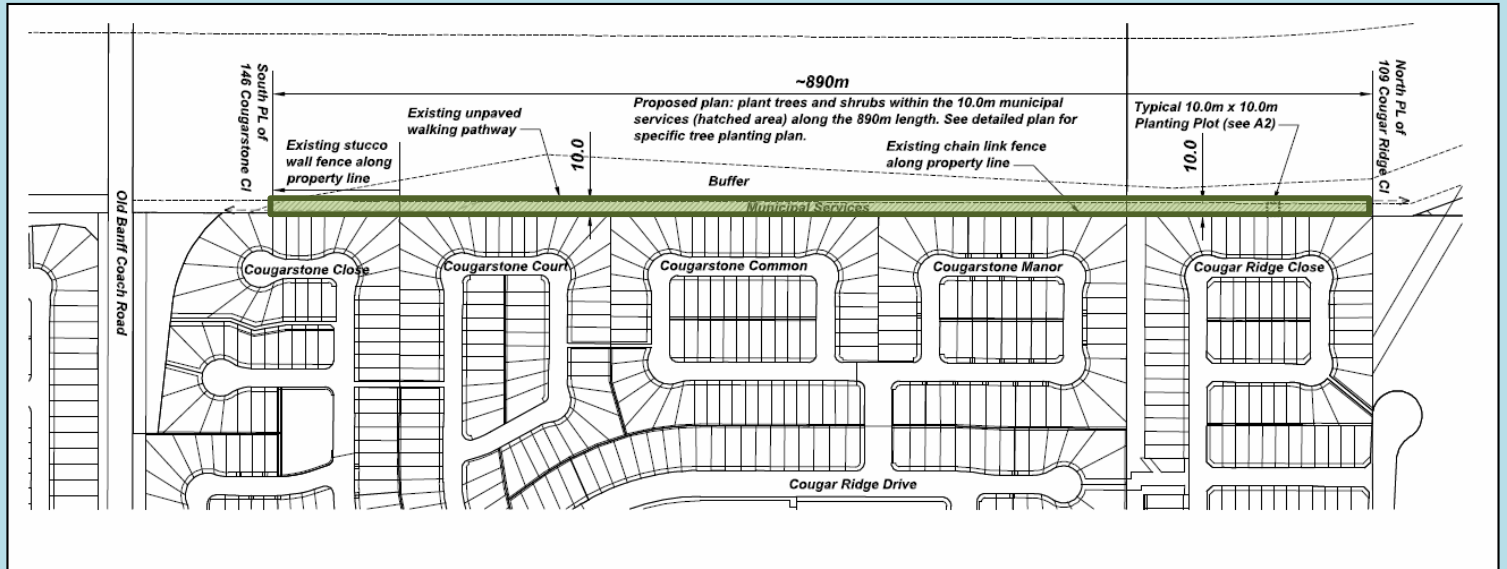

152 Cougarstone Common

- No cost
- No experience necessary
- All ages welcome
- If you have one, please bring a shovel (label with your name)

There is no pre-registration needed. Hotdogs and hamburgers will be served as well as refreshments. Kids may participate, so please bring a small labelled shovel for them.

We look forward to seeing you and thank you in advance for your participation!

WE ARE VERY PLEASED TO ANNOUNCE PLANTING OF TREES AND SHRUBS ON THE BERM WEST OF COUGAR RIDGE WILL BE CARRIED OUT THIS SPRING (2017)!

WHAT WE HAVE ACCOMPLISHED TOGETHER:

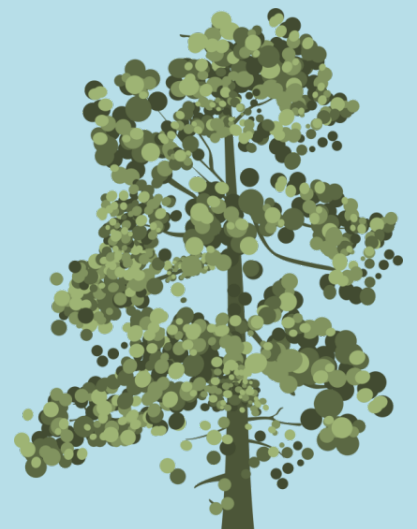

Protection against noise and airborne dust from: ongoing gravel extraction, future development of Burnco lands, and ring road construction and use.

Increased property value by creating a green space for privacy while providing a beautiful place for anyone to enjoy a walk.

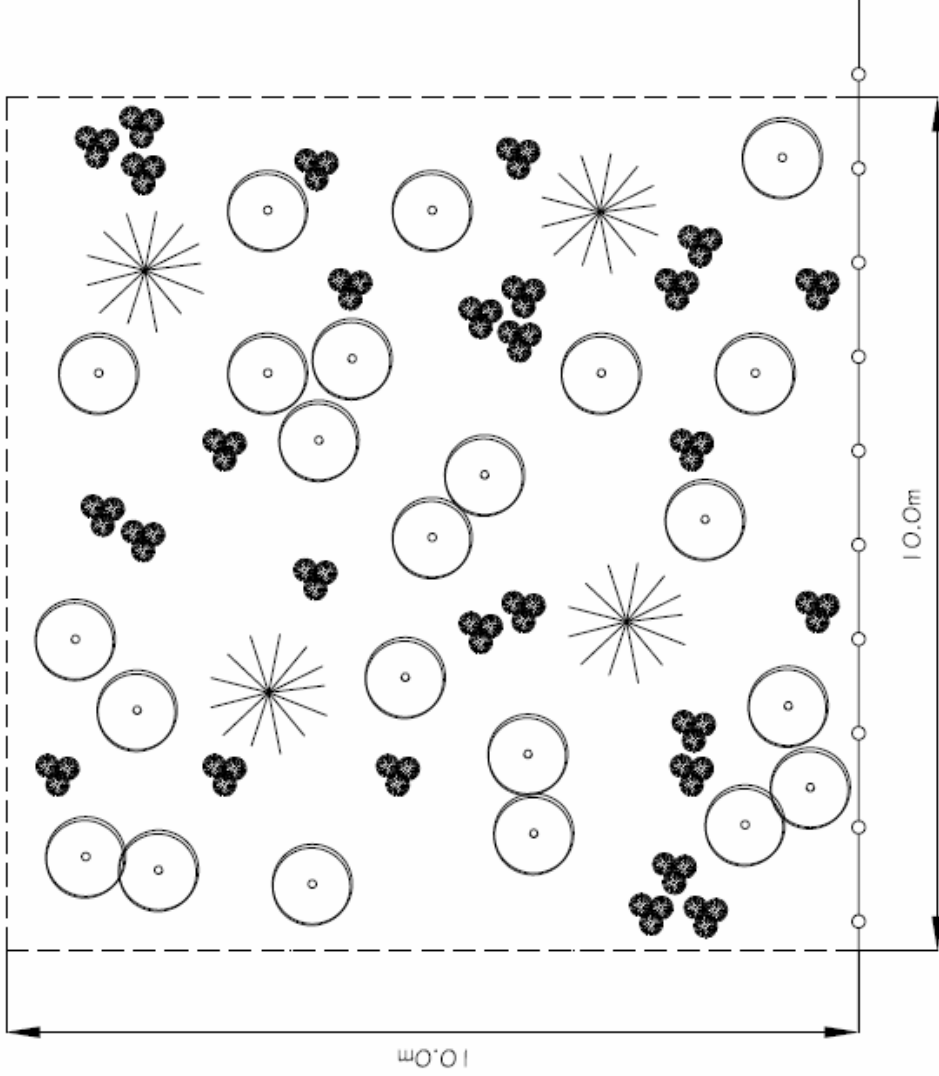

Replacement of trees that have been or will be extracted (i.e. West of Paskapoo homes) to increase or maintain our air quality.

*****We request that you restrict mowing to the first meter behind your fence-line to allow for natural regeneration.*****

Should you wish to volunteer your time by assisting planting or if you have any questions or comments, please contact the Cougar Ridge Residents Association (CRRA) at: feedback@mycougarridge.com or visit mycougarridge.com for more information. Thank you!

Existing non-paved walking path

This is a typical 10m x 10m planting plan, the planting look is naturalized, wild, random and not all 10 x 10 sections will be exactly the same planting formation

LEGEND

-  Limber Pine (~ 4-6 per plot)
-  Variety of Paskapoo Poplar, Trembling Aspen., Spruce sp., Pine sp., Larch sp. (~ 10-30 per plot)
-  Variety of Shrubs (~ 10-30 per plot)
-  Existing Chainlink Fence/Property Line

*Residents may provide input that may differ from the typical planting plan.
